

The Summary of Product Characteristics (SmPC) is updated continuously.

EMA will ensure that the updated SmPC in relation to important changes (changes which receive immediate Commission Decision) is published on EMA's homepage (http://www.ema.europa.eu/ema/index.jsp?curl=/pages/medicines/landing/epar_search.jsp&mid=WC0b01ac058001d124). For minor changes of the SmPC there can be a delay before the SmPC is published on EMA's homepage. Please contact Icepharma if you want to ensure you have the latest approved SmPC.
